Mike enjoys shooting trap, handguns, has shot hunter benchrest, and teaches concealed carry classes as well. Mike, a past police officer, is currently is employed as Service Manager for Pumps & Service here in Farmington. He has been an excellent President for the club, having more than enough knowledge, patience and diplomacy to excel at pushing the club to excellence. OUR PLEDGE “I Pledge to Protect and Conserve the Natural Resources of America. I Promise to Educate Future Generations so They May Become Caretakers of Our Water, Air, Land, and Wildlife.”

COWBOY ACTION

We had 12 Long Range Shooters on the 24th and 12 action shooters on the 25th. All the results are posted on the sjwf.org and trbcas.org web sites. We are finalizing the paper work for the Buffalo Long Range Shoot scheduled May 21-23 and the Shootout at Three Rivers September 23-26, 2010. We moved the Shootout to September for a little cooler weather. We will host the first U.S. Cowboy Long Range Championship and the U.S. Cowboy Trap Championship in conjunction with the Shootout. These are open Championships conducted under SASS rules. You do not have to be a SASS member to compete. The Rules, Course of Fire and the Tentative Schedule can also be found on the web sites. The entry application for the Buffalo shoot is now available. The September matches entry will be available in early 2010. For additional information contact Mile Reitz.
