MEMBER SPOTLIGHT

Glenn Shelby, 39 years old, has been married to Tanya for 16 years; they have two daughters. Glenn has been a member of **SJWF** since 2003 and has been on the Board for the last 3 years. He has been shooting all his life and started shooting competitively in 2003 in IDPA (International Defensive Pistol Association) in which he won 1st Place in 2002 in the NM State Championship. Glenn has 4 NM State Championships to date. Glenn has also won 1st Place for the past five years in IDPA in the AZ State Championship and in 2009 he won the coveted IDPA National Championship in the CDP (Custom Defense Pistol) Division. He won 2nd Place in the IDPA Winter Nationals twice and 2nd Place in 2009 in the Multi-Gun Nationals. Glenn also shoots USPSA (United States

Practical Shooting Association) and in 2009 won the Master Class - Limited, as well as winning Master Class - Limited in the Sectional Championships from 2007 to 2009. He placed 7th in the over-all standings in the USPSA Single Stack Nationals. This talented young shooter has been sponsored by Wilson Combat since 2007, which provides him with guns, match fees and travel expenses. Glenn thanks and appreciates Wilson for their support, without which it would be difficult to compete in the various competitions he attends nationwide. In addition to Glenn's passion for shooting in IDPA and USPSA, he has worked for Adobe Contractors for the last 10 years or more. **SJWF** is indeed proud to have such a talented shooter and club member in their ranks!—CM

We Understand how frustrating it might be if the gate quits working and locks you inside the range. We don't understand the uncontrollable rage that caused serious damage to the gate as a result. There is no such thing as a perfect machine, nor one that's out to get you. **Before you destroy the gate please call someone! Anyone!**—Wayland Moore 505-402-7826 or anyone else listed on the back page. To that end, It'd be a **really good idea to keep an issue of our newsletter in your vehicle.**

NEWS AND NOTICES**MEMBERS NOTICE**

Key Cards have replaced membership cards and are also necessary for entrance into the range. The new Membership keycards can be obtained by **appointment only** or at monthly membership meetings.

Call Christine @ 505-320-9452. A \$25 deposit and a current membership is required.

SPOOLS and POTTIES

The large Wooden Spools placed around the shooting range are for tables not targets. Please don't use them for such. We shouldn't even have to mention the same thing about the porta-potties, should we.? When they are damaged we have to replace them with money better used to improve club facilities. If it continues dues will increase. That hurts every one. Please report any such vandalism.

DRIVING ON RIFLE

RANGES can't be allowed when they are muddy. The resulting damage requires expensive rental equipment to fix, and cause hours of unnecessary labor and frustration. **Wayland and his crew already give extraordinary service maintaining the ranges, and we ought to show some appreciation and consideration...**

THE SHOOTING RANGE IS CLOSED for cleaning and maintenance, 9am to 3pm Thursday following the general club meeting. *Volunteer help is appreciated!*

"Range Closed" signs, are for the SAFETY OF RANGE WORKERS! Absolutely no shooting allowed when the signs are up. Ignoring this safety rule can cost you your membership!
